

May, 2010

Dear AWWMA Member:

You are invited to attend the 2010 Arkansas Water & Wastewater Managers' Association Annual Conference. This year's agenda is full and exciting, and you won't want to miss it! Registration forms are enclosed. Please fill them out completely to help us count the number of meals needed. Return with the appropriate fees **ASAP, but no later than June 18, 2010**. Feel free to duplicate the form if you have more than one from your organization who will be attending. The registration fee will cover all events for yourself and one guest. Any additional guests or children will be extra. Please indicate these on the registration form.

The meeting will be held at the Best Western Inn of the Ozarks in Eureka Springs, AR, July 21-24, 2010. It is important that you reserve your room **NO LATER THAN June 15th**. For reservations call the Inn of the Ozarks at 479-253-9768 and let them know you are with AWWMA.

Check-in and registration will be held in the Lobby of the Convention Center from 3:00 to 5:00 p.m. on Wednesday, July 21. The Meet & Greet will begin at 6:30 p.m. in the Walnut/Maple Rooms of the Convention Center. Dress for this and all conference activities will be casual. Breakfast each day is included as part of your registration. Dinner will be served at the Meet & Greet on Wednesday night and at the Banquet on Friday night. Daily lunches and the Thursday evening meal will be on-your-own. Special entertainment has been planned for the Meet and Greet and the Banquet. You will have afternoons free to network with other managers and have fun in Eureka Springs.

IMPORTANT!!

We plan to have a bar code on your name badge with your Training I.D. ready for scanning. In order to make this happen, you must supply your Training I.D. number (last 4 digits of SS# & first 3 letters of last name) in the space provided on the registration form. Members will be scanned each day of the event to receive credit.

It would be a good idea to bring your Operator Training Card also!

A Scholarship application and rules are enclosed. Please read the rules to determine the number of applications you may submit from your utility, and return the applications with your registration form.

For the past year the committees and board members have been working hard to represent the AWWMA. We have been very active in legislative issues and keep a constant watch on state legislation that affects our industry. We have provided training on numerous items of interest to our membership and have given scholarships to the members of our association. The committees and board members have done a wonderful job and without them we could not exist. If you are interested in serving on a committee we will circulate a sign up sheet on the last day of the annual meeting.

If you have any questions, please feel free to call me @ 501.825.7294. We look forward to seeing you in Branson!!

Sincerely,
Tim Shaw
Secretary-Treasurer
